

What's New in KJRA for 2010

- 1. We will be bringing back the 14-18 age group. In order for this group to receive a saddle for the year end all around prizes, 8 participants must qualify and compete in the finals. If there are less than 8, an alternative prize will be awarded for the all around.**
- 2. The determination of age for a specific age group will now be September 1st. This will line things up more with the grade the member is in.**
- 3. Sheep riding will award points based on scores 1st, and then move to longest time ridden for the remaining points.**
- 4. The 10-13 breakaway will become 2 separate events – 10-13 boys breakaway and 10-13 girls breakaway.**
- 5. We will have goat tail untying in the 1-6 age group instead of goat tail tying.**
- 6. There will be no youth directors this season.**
- 7. We will adopt a new pay scale and this will be listed in the rule book once it is complete.**
